It has been brought to the office's attention that Chicago Police Officer Sean W. Sepcot, Star# 4094 has been charged with Battery under Case No. 10 MC4-2061. Our office is the prosecuting authority in Officer Sepcot's case. The case is currently pending in Maywood and is next up on October 12, 2010. Pursuant to Brady v. Maryland, 373 U.S. 83 (1963) the prosecution's duty to disclose exculpatory information is part of the constitutional right to a fair trial. This duty of disclosure also includes evidence that may impeach the credibility of a prosecution witness. Giglio v. United States, 405 U.S. 150, 154 (1972). As you are all well aware, the fact that any witness that we are calling to testify has a pending case must be disclosed to the defense.

If you or any of the assistants that you supervise have a case where you are calling Officer

Sepcot as a witness, the fact that Officer Sepcot has a pending case must be disclosed to the defense prior to trial. The MIS Department is doing a computer search to see whether Officer Sepcot is a witness on any pending felony cases. Once I have the results of that search, I will forward them to each of you. Please don't call MIS to have another list run. Units that do not have a computer case management system will have to check their files to determine whether Officer Sepcot is a witness.

If you or the assistants that you supervise have a case where Officer Sepcot is a witness and you determine that he needs to be called as a witness in the case, please file and tender to the defense the attached Notice of Disclosure prior to trial. An electronic copy of the Notice of Disclosure will be sent to you.

If you or your ASAs have any questions, please call me. Thank you.
